

## SUBDIVISION RECOMMENDATION

**TO:** Code and Regulation Committee  
**FROM:** Scott Capovilla, Planning & Zoning Manager  
**DATE:** May 14, 2026  
**SUBJECT:** Final Plat No. 1 of South Avon Subdivision

**LOCATION:** Southwest corner of South Avon Street and Chestnut Street and the southeast corner of Short Elm Street and South Avon Street

**DEVELOPER:** The PlatFORM Group

**ENGINEER:** Fehr Graham

**SITE DATA:** Year 2040 Plan: Mixed-use and Medium Density Residential  
Existing Zoning: I-1, Light Industrial and R-1, Single-family Residential  
Existing Land Use: Vacant land and one vacant building  
Total Area: 10.076 Acres  
Ward: 13 – Alderman Tamir Bell

### SURROUNDING ZONING AND LAND USES:

North: I-1	Elm Storage, Single-family residence
East: RE, I-1	Kent Creek, Barnes International
South: I-2	Machine Shop & Supply, Various Industrial uses
West: R-1	City Water Operations, Vacant land, Single-family residences

**PLAT DATA:** Number of Lots: 11

**SOILS REPORT:** Soil disturbance will occur as a result of developing the site. Soil disturbance can create soil erosion which must be properly managed to prevent adverse environmental impacts. Controlling erosion is easy and it is the law. It is important because eroding construction sites are a leading cause of water quality problems in Illinois. Best management practices should be employed throughout all phases of the construction project to properly manage discharges of storm water and to prevent soil erosion.

**REVIEW COMMENTS:** This is the first phase of the Planned Unit Development (ZBA #004-23) for the South Avon project, which is the redevelopment of the former ComEd site (Ordinance No. 2023-156). The first phase will create three lots on the east side of South Avon and eight lots on the west side of South Avon. In Block 1, Proposed Lot 1 will be the site for the 64 unit mixed use building. Proposed Lot 2 is the former Rockford Gas Light & Coke Fitting and Meter Shop building which will become an artist live-work loft space. Proposed Lot 3 is for storm water detention. In Block 2, there will be eight single-family homes on each of the eight lots. This plat is in conformance with the zoning for the site, the subdivision ordinance and the City of Rockford Comprehensive Plan.

**RECOMMENDATION:** Staff recommends **Approval** of Plat No. 1 of South Avon Subdivision.

EASEMENT PROVISIONS:

- Easements are hereby reserved for, and granted to the designated governmental bodies and public utilities or cable television companies with the necessary authorizations and/or franchisees and their respective successors and assigns within the area as shown by dotted lines on the plat and marked "easement" to install, lay, construct, renew, operate and maintain storm and sanitary sewers, water mains, gas mains, surface drainage facilities, pipes, conduits, cables, poles and wires, overhead and underground, with all necessary braces, gins, anchors and other equipment for the purpose of serving the subdivision and other properties with telephone, electric and other utility service or cable television service; also is hereby granted the right to use the streets for said purposes, the right to install the required service, connections over or under the surface on each lot and common area or areas and common elements to serve improvements thereon, or on adjacent lots and common area or areas and common elements, the right to enter upon the subdivided property at all times to install, lay, construct, renew, operate and maintain within the easement area the storm and sanitary sewers and water mains, gas mains, pipes, conduits, cables, poles, wires, braces, gins, anchors and other equipment; and finally the right is hereby granted to cut down and remove or trim and keep trimmed any trees, shrubs, saplings and roots, and remove any fences or landscape plantings that interfere with any of the public utility equipment or cable television equipment installed on the easement without responsibility to replace same, other than to replace any grass removed. No permanent structures, trees or berms shall be placed on the easement, but the easement may be used for purposes that do not then or later interfere with the aforesaid uses or rights herein granted.
- If the grade of the subdivision property may be so altered or if private service lines require that the existing underground utility or cable television equipment be moved or otherwise altered, the property owners, their respective successors and assigns, shall reimburse the utility or cable television company for the necessary expense incurred, the term common area or areas is defined as a lot, parcel or area of real property, the beneficial use and enjoyment of which is reserved in whole as an appurtenance to the separately owned lots, parcels or areas within the planned development, even though such be otherwise designated on the plat by terms such as, "outlots," common elements," "open area," "common ground," "parking and common area," the terms "common area or areas" and "common elements" include real property surfaced with interior driveways and walkways, but exclude real property physically occupied by a building or retention pond or mechanical equipment.
- The term common elements shall have the meaning set forth for such term in the "condominium property act", 765 Ilcs 605/2(a), as amended from time to time.
- Storm water detention areas and drainage easements. The maintenance of the drainage and storm water detention easement shall be the sole responsibility of the individual property owner. The finished grade of the easements shall not be landscaped, altered, or retrofitted upon by filling, re-grading or construction of surface improvements that obstruct or reduce the flow of water, nor shall any buildings or structures be erected within this easement.
- Designated governmental bodies, Utilities or Cable Television companies at time of recording: "at the time of recording, this plat is to be served by the following public utility companies: Four Rivers Sanitation Authority, Rockford Water, Commonwealth Edison Company, NCor. AT & T and/or Verizon wireless, Comcast, or their successors."
