

RESOLUTION

By Alderman Jonathan Logemann, on behalf of the Codes and Regulation Committee:

WHEREAS, The City of Rockford, Illinois Residential and Collector Street Lighting Policy, provides as in Section VI, that all street light requests, which are deemed not warranted for significant public safety benefit by the Public Works Department and the Police Department, will be reviewed by the City of Rockford Traffic Commission.

WHEREAS, The City of Rockford Traffic Commission has reviewed a request for an additional street light near 2415 Quincy Circle and has approved the installation.

BE IT RESOLVED, by the Council of the City of Rockford, Illinois, that the City approves the installation of a street light approved by the Rockford Traffic Commission during the July 8, 2026 meeting.

BE IT FURTHER RESOLVED:

1. That the City shall pay for the installation of the street light out of the City Street Lighting Budget.
2. The City shall pay the ongoing cost for power and maintenance for the street light out of the City Street Lighting Budget.

BE IT FURTHER RESOLVED, that the Public Works Department are hereby authorized to begin coordination with ComEd for the installation of a street light near 2415 Quincy Circle.

Respectfully submitted,
