Hello,

My name is Ayvaz Shakhbandarov, and I live at 6274 Phaeton Dr, Rockford, IL.

I am writing to request traffic safety improvements at the intersection of Phaeton Drive and Waconette Drive in our neighborhood.

There are many children and families living here, and drivers speed through this area very often. I have personally seen several close calls where children were almost hit by speeding vehicles. Kids regularly play outside, ride bikes, and walk through the neighborhood, but traffic has become very dangerous.

I strongly believe this area needs:

- A 4-way stop sign
- Speed bumps

Additional traffic calming or warning signs

These changes would help slow drivers down and make the neighborhood much safer for children and residents before someone gets seriously hurt.

Please consider reviewing this intersection as soon as possible.

Thank you for your time and attention.

Sincerely,

Ayvaz Shakhbandarov
